DISCLAIMER: Our products are made fresh and raw, not pasteurized, and therefore may contain harmful bacteria that can cause serious illness in persons with weakened immune systems such as children, the elderly and pregnant women. Products freshly made in store should be consumed within an average of 72 hours of purchase. Keep refrigerated.

Our menu items may contain common allergens such as gluten, dairy, eggs, soy, nuts or shellfish. While we take precautions to prevent cross-contamination, our food preparation areas are not entirely allergen-free. The risk of cross-contamination may exist. Customers with food allergies or sensitivities should exercise caution and inform our staff before placing an order.

All our blenders have been exposed to tree nuts. An allergy blender is available upon request.

Gluten-Free wraps or bread are available upon request. Our gluten-free wraps may be pressed on a grill that comes into contact with our traditional (not gluten-free) wraps. If you request a gluten-free wrap and want it cooked, it may be in contact with a shared surface of wheat and gluten.

2000 calories a day is used for general nutrition advice, but calorie needs vary.
Any menu items not listed here may be a limited time only offering or an item offered locally at this individual location.
Please speak to a staff member for additional information if you don't see your desired menu item listed.
